

ABOUT THE COMMITTEE

VISION:

- Evolve into a Centre of Excellence for Research in Meenakshi College of Engineering.

MISSION:

- The research department strives to create a strong sense of community, provide a variety of engaging and enriching opportunities for staff/students and to prepare the students for research carriers.
- Attaining academic excellence through well designed curriculum flexible to dynamic technological needs, competent faculty and innovative research-learning process.
- Promoting collaborative research through special interest groups, state of the Madras University, Anna University, IIT and CICRI research labs.
- We should conduct the research meeting to every academic year last month.

Functions of the Committee

- The R&D cell was established to promote and monitor the development of research activities of the College.
- The R & D cell motivates the students in research activities, by providing the required training and suggestion.
- The R & D cell aims to nurture the research culture in the institute by promoting research in newly emerging and challenging areas of engineering and technology.
- It encourages the students and faculty to undertake research in newly emerging and challenging areas of engineering and technology, including multidisciplinary fields.
- To monitor progress of the research and development activity.

ROLES & RESPONSIBILITIES

Committee coordinator:

- Conduct meetings with committee members in order to implement the current trends in engineering discipline.
- To organize research-based programs to build an effective relationship among students, faculty and industry.
- To identify the interdisciplinary research proposal from faculty and students.
- To co-ordinate the faculty and students to conduct the research and development activity.

Faculty coordinator:

- To invite the resource person to conduct research-based programs.
- Introduce new concepts to students in different domains.
- Contribute active participation in research to publish the paper.
- To conduct research and development activities.

Student coordinator:

- Identify the students to crack new ideas in their projects.
- Follow the directions of faculty to execute the research-based projects.
- To help the faculty members with organizing different events in R & D.
- Identify the students having relationships with other departments to do research proposal.
- To follow up and implement the instructions given by coordinator and faculty members of the committee.

Committee Members:

S.NO	NAME	DESIGNATION	DEPARTMENT	POSITION
1	Dr.R.Ganesan	Principal	-----	Chairperson
2	Dr.M. Bhoopathi	Associate Prof.		Convenor
3	Ms. S. Hariprabha	Assistant Prof		Co ordinator
4	Mr. C. Dineshkumar	Assistant Prof		Member
5	Ms.S.Chinthamani	Assistant Prof		Member
